January 8, 2018 - Srinagar, Kashmir, India - Kashmiri fishermen holding harpoons, covered under blankets, wait in their boats to catch fish by a unique technique called Tchay-e- gard shikar ('shadow fishing') in the Anchar lake on January 8, 2018 in Srinagar, the summer capital of Indian administered Kashmir, India. Tchay-e- gard shikar ('shadow fishing') is a unique method employed by fishermen to catch fish in Srinagar's Anchar lake.
