No stock, books, advertising or merchandising without photographer's permission Mandatory Credit: Photo by Stefan Pabst/REX Shutterstock (5328769e) Stefan Pabst creates a photorealistic 3D drawing of a snake The realistic art of Stefan Pabst, Germany - 30 Oct 2015 FULL COPY: http://www.rexfeatures.com/nanolink/refh You won't believe your eyes when you see the work of artist Stefan Pabst. The 35-year-old creates jaw-dropping 3D illusion art and photorealistic potraits of famous faces. His work ranges from spine-chilling spiders that appear real enough to touch to stunning drawings of stars including Scarlett Johansson and Angelina Jolie. Stefan uses a range of paint brushes for what he calls '3D drawing' using the trompe l'oeil technique; a French term literally meaning "trick the eye". (FOTO:DUKAS/REX)
