RHODES ISLAND, GREECE - JULY 22: A firefighter helicopter drops water as teams conduct extinguishing works by land and air to control wildfires across Greece's Rhodes island on July 22, 2023. Thousands of tourists were evacuated from hotels on the southeastern coast of Rhodes island as a huge wildfire that had been burning on the island since Tuesday morning continued to spread quickly. Firefighters, as well as fire extinguisher aircraft, are battling the blazes against strong winds. Lefty Damian / Anadolu Agency/ABACAPRESS.COM (FOTO: DUKAS/ABACA)
