| EXCLUSIVE:<br>October 28, 2023 - Be'eri, Israel: 21 days after the fatal attack on Be'eri Kibbutz, when more than 100 Hamas terrorists entered the Kibbutz and brutally murdered at least 130 members of the Kibbutz. Several members of the Kibbutz were abducted by Hamas to Gaza. Starting early in the morning of October 7th, missiles were shot to Israel from Gaza while Hamas terrorists invaded Israeli settlements around Gaza, murdering and kidnapping hundreds, including hundreds of young participants at the outdoor party Nova. Casualties count thus far is more than 1,400, injured - more than 3,800, abducted - 229 soldiers and civilians, missing more than 100 people. (Ziv Koren/ Polaris) (FOTO:DUKAS/POLARIS) |
