Title

Nick Cave and the Bad Seeds performing live at All Points East Festival, Victoria Park, London - 28th August 2022

Creation date

20190816

Caption

Nick Cave and the Bad Seeds are an Australian rock band formed in '83 by vocalist Nick Cave. Referred to as rock music's "Prince of Darkness", Cave's music is generally characterised by emotional intensity, a wide variety of influences, and lyrical obsessions with death, religion, love and violence.
