STOCKS IMAGES_CPE/March 27,2012-The former managing director of the International Monetary Fund (IMF) was indicted on Monday evening in Lille for " procuring deteriorated(aggravated) in organized band", a crime liable to twenty years' imprisonment and three million euro of fine, by three judges in charge of the affair of procuring said about the hotel Carlton of this city.

The magistrates, who placed him on probation with payment of a 100.000 euro pledge, try in particular to determine if DSK knew that the participants in the loose evenings in which he had taken part, in Paris and in Washington, were paid.

His lawyers announced their intention to appeal. They had to hold a press conference at 3:00 pm Tuesday to their Parisian cabinet.
