[Gizmo's wound is still healingt ... Britain's luckiest cat cheated death by a whisker after he was shot at point-blank range with a CROSSBOW - which missed his skull and chest by ONE INCH. Miracle moggy Gizmo suffered horrific injuries after a yob blasted him outside his home leaving a six-inch long arrow embedded in his neck. Astonishingly, the one-year-old long-haired grey cat only needed two stitches after the cruel attack on Sunday (28/10) afternoon. Gizmo's horrified owners Nicola and Graham Congrave discovered the frightened feline meowing in agony and lying in a pool of blood outside their home in Kidderminster, Worcs] (FOTO: DUKAS/ACTIONPRESS)
