Title

Egypt: Black market trade in dollars

Creation date

20130325

Caption

An employee at a registered foreign exchange office in downtown Cairo handles a stack of U.S. currency on March 25, 2013. More and more Egyptians are avoiding the legal currency exchange houses in favor of black market currency dealers who will provide more U.S. money than banks are allowed under current regulation. The black market dealers charge a premium, however. (Photo by Amina Ismail/MCT/Sipa USA)
