Caption
The Generalitat, together with the Spanish government, aims to address the issue of campsites located in flood-prone areas, particularly those on the front line by the sea, which are often affected by increasingly frequent severe storms. La Generalitat, junto con el gobierno español, pretende solucionar el problema de los campings situados en zonas inundables, especialmente los que están en primera línea de mar, y que con frecuencia se ven afectados por los temporales de mar cada vez más habituales.
