EDMONTON, CANADA - APRIL 26: A participant hold a 'No way eh!' badge as hundreds gather for a 'Resistance Rally' organized by the Alberta Federation of Labour (AFL) to protest issues including wage stagnation, privatization of public services, human rights concerns, environmental inaction, and separatist rhetoric, at the Alberta Legislature in Edmonton, Alberta, Canada, on April 26, 2025. The rally brought together a wide range of unions and community groups from across Alberta, uniting diverse voices to demand better wages, defend public services, uphold human rights, confront the climate crisis, and stand for a stronger Alberta within a united Canada.
