Title
Major Forest Fire In Southern Catalonia.
Creation date
20250709
Caption
Night falls two days after a massive fire breaks out in Pauls (Baix Ebre), in southern Catalonia, in Xerta, Spain, on July 9, 2025. Firefighters and other emergency services work to extinguish the blaze, which burns more than 3,000 hectares and forces several municipalities into lockdown. (Photo by Marc Asensio/NurPhoto)
