Title

Children and mustered flower in Bangladesh

Creation date

20150102

Caption

Jan. 2, 2015 - Munshigonj, Bangladesh - Children playing in mustered field in Bangladesh..As winter deepens in this country that lies athwart the Tropic of Cancer, the landscape is coloured, across the country, with vast swathes of fields of Mustard, lending an impressive, almost magical quality to the almost endless views across the deltaic plains (FOTO: DUKAS/ZUMA)
