Maddy the terrier is barking mad for fox cub pal Hetty.

The odd couple are pictured having a playful tussle over a stone at the rural Welsh property of photographer Richard Bowler. Hetty can be seen trying snatch the rock from Maddy's mouth.

Five-month-old Hetty is being hand-reared by Richard at his home near Corwen.

Maddy, five, is used to have a foxy pal to play with, after Richard adopted an abandoned fox called Rosie two years ago.
