A man turns to avoid a bull during "recortadores" bullfight in Zaragoza, Spain, Wednesday, October 12, 2016. The recortadores bullfight is an ancient tradition where the men try to dodge the bull without a cape or sword and the ones who dare to get closer to the bull and show less fear are the winners. The bulls are not killed during this type of bullfight.
Bullfighting, Zaragoza, Spain - 12 Oct 2016
