Kew's largest ever tunnel of lights reaching 7m tall and 70m in length. Returning to the Royal Botanical Gardens at Kew is 'Christmas at Kew', an illuminated trail through Kew's after-dark landscape, lit up by over one million twinkling lights, and featuring spectacular light and sound installations along the route, including light tunnels and, at the end, the spectacular Palm House Grand Finale with laser show.

Christmas at Kew Illuminations preview, London, UK - 21 Nov 2018
