Title

NEWS - Berlin: Klima-Proteste von Extinction Rebellion

Creation date

20191007

Caption

October 7, 2019: The Symbol of Extinction Rebellion can be seen in front of the victory column while several hundred climate activists from the socio-political movement Extinction Rebellion (abbreviated as XR) block important traffic junctions in Berlin. The activists have called in advance for massive civil disobedience. (Credit Image: © Jan Scheunert/ZUMA Wire (FOTO: DUKAS/ZUMA))
