Title

Freedom Day

Creation date

20220224

Caption

24/02/2022. London, UK.

Commuters arrive at London's Waterloo Station on the day that all Covid legal regulations come to an end in England. From today if you test positive for Covid-19 you do not legally need to isolate. However, until 1/4/2022, the government are still advising those who test positive to stay at home. Face masks are no longer mandatory on London Transport, but passengers are recommend to use them on tubes and buses.
