[A twisted pet owner who filmed his dogs tearing apart live badgers and foxes has been jailed. Evil Richard Atkins, 45, (PICTURED) trained his hounds to hunt down and attack the wild animals. He then filmed the sickening attacks on a digital video camera which he showed to his pals. In one clip, Atkin's black Patterdale Terrier and Bull Lurcher tore a badger's leg off while men cheered and laughed in the background. Atkins admitted nine charges including causing animals to fight, keeping dogs for the purpose of animal fighting, causing unnecessary suffering and animal welfare offences. He was jailed for 24 weeks at Burton upon Trent Magistrates Court last Friday (29/6).]
