Title
CA: Kabang, the hero dog
Creation date
20130603
Caption
Kabang, the hero dog from the Phillipines, is shown after being released from the William R. Pritchard Veterinary Teaching Hospital on Monday, June 3, 2013, in Sacramento, California. Kabang spent seven months in the United States healing from injuries, including losing her snout, when she jumped in front of a motorcycle reportedly to save two girls in the bike's path.
