February 20, 2025. London, United Kingdom. Princess Anne Visits the UCL East Campus. Her Royal Highness, Princess Anne during a visit to the UCL East campus, One Pool Street and Marshgate. Anne, the Princess Royal journeyed through the innovative teaching areas and met academics and students committed to finding solutions to key challenges facing the planet. At One Pool Street, the Princess learned more about the People and Nature Laboratory, a multi-disciplinary entity that aims to understand, predict and enhance the relationships between people and nature. She was presented a robot dog. Her Royal Highness then unveiled a commemorative plaque in honor of the occasion and received a bat sensor as a gift from a student.
