Title

Smiling future pavilion at Expo 2025 Osaka

Creation date

20250409

Caption

April 9, 2022, Osaka, Japan: This is the YOSHIMOTO Waraii Myraii (smiling future) pavilion at Expo 2025 Osaka which consists of a smiling sphere approx. 20 m. in diameter(65 ft.). This venue presented by Yoshimoto Kogyo Holdings is a plaza theater where various light hearted and comic performances are staged. It's intended concept is that of "expanding new possibilities of laughter for future society for life beyond sustainable development". Yoshimoto also wants to "connect children around the world with smiles, transcending language and culture". This expo runs from Apr.13 to Oct. 13, 2025. (Torin Boyd/Polaris) (FOTO:DUKAS/POLARIS)
