Caption

June 7, 2023 - Columbus, Ohio, United States: A Kc-135 Startotanker from the 121st Air Refueling Wing refuels a Northrop Grumman B-2 Spirit over the skies of Missouri, June 7, 2023. The KC-135 enables the B-2, also known as the Stealth Bomber, to bring massive firepower to bear, in a short time, anywhere on the globe through previously impenetrable defenses.
