EDMONTON, CANADA – June 24: Activists from the Edmonton Committee Against War and Racism and supporters gather for a 'No to NATO's Agenda of Aggression and War – Get Canada Out of NATO!' picket on the south side of the High Level Bridge, in Edmonton, Alberta, Canada, on June 24, 2025. The protest coincides with Prime Minister Mark Carney's participation in the NATO summit in The Hague, where leaders from 32 NATO member states, partner countries, and the European Union are meeting to discuss defense strategy, global security, and alliance expansion.
