Title
March Against Gentrification In Mexico City
Creation date
20250704
Caption
A member of the Black Anarchist Bloc paints an anti-Palestinian figure in Parque Mexico in the Condesa neighborhood of Mexico City, Mexico, on July 4, 2025, where various collectives demand that the capital's authorities stop what they call a new proliferation of foreigners that leaves current and future generations homeless, in addition to high rents for apartments and houses.
