Police officers stand guard while supporters of trade unions participate in a protest rally on a railway platform during an all-India strike in Kolkata, India, on July 9, 2025. The strike, called Bharat Bandh, is organized by a joint forum of 10 central trade unions along with associated workers' and farmers' organizations to protest against what they describe as the central government's "anti-worker, anti-farmer, and pro-corporate" policies. Media reports say around 250 million workers participate in the nationwide shutdown. (Photo by Rupak De Chowdhuri/NurPhoto)
