A man sells various typical products from the State of Oaxaca during the Guelaguetza Tlalpan 2025 festival in Mexico City, Mexico, on July 10, 2025. For the first time, the Tlalpan Mayor's Office hosts the traditional festival, an emblem of Oaxaca. From Thursday, July 10 to Sunday, July 13, visitors to the mayor's office experience the cultural richness of the Guelaguetza or Guendalezaa, meaning "offering" in Zapotec, which brings together traditional dance groups, Oaxacan bands, typical gastronomy, and crafts.
