Title
Flood Aftermath In Kathmandu, Nepal
Creation date
20251005
Caption
Kathmandu Metropolitan City Police reconstruct and clear debris from the Bafal riverside road in Kathmandu, Nepal, on October 5, 2025, which is damaged and blocked due to floods following continuous rainfall the previous day. Authorities work to restore connectivity for commuters, highlighting ongoing flood aftermath across the city. (Photo by Safal Prakash Shrestha/NurPhoto)
