Caption
Protesters fill the area around Sants station during the march called as part of the general strike in support of Palestine in Barcelona, Catalonia, Spain, on October 15, 2025. The demonstration, which heads towards the Israeli consulate, gathers around 15,000 people according to the City Police, while organizers raise the figure to 50,000. Along the route, several incidents and multiple arrests for public disorder are reported. (Photo by Albert Llop/NurPhoto)
