Participants in a pro-Palestinian protest disrupt the US Consulate with noise on October 16, 2025, in Krakow, Poland. A pro-Palestinian protest takes place in front of the US Consulate in Krakow. Participants disrupt the facility with the noise of clanging pots and loudspeakers. Protesters speak about US support for Israel and, in their view, US complicity in the genocide in Gaza. The International Association of Genocide Scholars (IAGS) and a UN commission announce that Israel's actions in the Gaza Strip meet the legal definition of genocide. The prosecutor of the International Criminal Court requests the issuance of an arrest warrant for Israeli Prime Minister Benjamin Netanyahu. (Photo by Klaudia Radecka/NurPhoto)
