This Town Is Not Big Enough For Both Of Us - Beyoglu District, Istanbul

Stunning photos reveal colourful and contemporary architecture of Turkey, Turkey - Oct 2015

FULL BODY: <http://www.rexfeatures.com/nanolink/rrng>

Yener Torun is an architect-turned-photographer with an eye for colourful and contemporary architecture.

His incredible photographs of Istanbul reveal the rise of minimalist architecture in the multifaceted city.

His other photographs are taken around various parts of Turkey including Aydin and Bursa.
