Caption

(160731) -- HARBIN, July 31, 2016 (Xinhua) -- People watch a giant yellow rubber duck on the bank of Harbin section of the Songhuajiang River, northeast China's Heilongjiang Province, July 31, 2016. The 18-meter-high rubber duck, designed by Dutch artist Florentijn Hofman, will be displayed here for one month. Harbin is the 28th city where it is displayed.
