An Iraqi Army Humvee races along a recently liberated stretch of the Erbil to Mosul highway. Battle to retake Mosul, Iraq - 23 Oct 2016  
Bartella, a mainly Christian town with a population of around 30,000 people before being taken by the Islamic State in August 2014, was captured two days ago by the Iraqi Army's Counter Terrorism force as part of the ongoing offensive to retake Mosul. Although ISIS militants were pushed back a large amount of improvised explosive devices are still being found in the town's buildings.
