November 21, 2016 - New York, New York, United States: A holiday season display window at Bloomingdale's store on Lexington Avenue. Bloomingdale's has partnered with a group of visual artists to create chandeliers which embody their artistic definition of the word "light." There are eight windows in total, designed by Inma Barrero, Erika deVries and Jonah Meyer, Abby Modell, Sean Augustine March, Susanne Bartsch, Allison Eden, Esmeralda Kosmatopoulos and George Kroenert. At the end of the holiday season, these one-of-a-kind designs will be auctioned off for the store's holiday charity partner the Child Mind Institute.
