Caption

September 28, 2017 - Mosul, Iraq: Scenes of devastation in the Mosul old town two months after Iraqi forces retook the city from Islamic State fighters. Mosul old town is where Islamic State fighters made their last stand. Iraqi forces backed by US air strikes had to completely destroy this part of Mosul to decisively defeat IS jihadists. More than two months after the end of the battle of Mosul, dead bodies are still visible in the ruined streets and Iraqi forces fear booby traps and IEDs in this part of town.
