Caption

March 21, 2018 - Srinagar, India Kashmir Jammu, India - A local Kashmiri receives leeches therapy in Hazratbal Srinagar the summer capital of Indian administered Kashmir. Kashmir uses leeches to treat people suffering from itch and pain. Leeches are often used to heal ailments, from blood circulation to skin care in traditional medicine in Kashmir Nowruz which marks the first day of spring and the beginning of the year in the Persian calendar (FOTO: DUKAS/ZUMA)
