Title

NEWS - Bergkarabach-Konflikt: Martakert nach Bombardierung

Creation date

20201015

Caption

Military officers in a destroyed military hospital after a shelling attack. The situation in Nagorno-Karabakh escalated on September 27, 2020, with reports from Yerevan on the Azerbaijani troops advancing in the direction of Nagorno-Karabakh and shelling its settlements, including the capital city of Stepanakert. Both Azerbaijan and Armenia declared martial law and military mobilization, reporting on casualties and injuries among civilians as well.
