Seagull birds flap their wings at Yamuna Ghat.

A flock of Seagulls fly along the Yamuna River at Nigam Bodh Ghat. During the onset of winter season, flocks of Siberian seagulls migrate through Delhi making a temporary home at the river Ganga and Yamuna. This place is a haven for bird watchers and photographers. During morning hours birds are often fed by devotees who arrive to bathe at the river.

Glimpse of Seagulls at Yamuna Ghat in New Delhi, India - 08 Nov 2020
