Caption

VLADIVOSTOK, RUSSIA - NOVEMBER 19, 2020: Glaze on a monument to Sts Peter and Fevronia caused by a recent freezing rain, which came along with a mixture of rain and snow to the southern part of the region and led to several roads being blocked, power outages, water and heating supply disruptions. Vladivostok saw 10mm of precipitation falling overnight and resulting in heavy sheets of glaze ice, power losses in the majority of the city territory, with public transport disruptions and trees falling on Russky Island. / 191120 *** Local Caption *** 31398844
